Victoria horse-drawn carriage accident caught on camera

Times Colonist – 7-21-10

Tourists who had just disembarked a cruise ship Monday evening for a horse-drawn carriage ride along Dallas Road got a scare when the two horses spooked and galloped out of control down the road. The melee began when the trolley wheels made contact with the curb, causing the two horses pulling the carriage to bolt, said Sgt. Grant Hamilton, spokesman for Victoria police. One of the horses got tangled in the harness and fell, scraping its legs on the roadway. None of the people in the carriage was hurt.
